Sensatex, Inc. Recognizes Dr. Sundaresan Jayaraman for His Service

BETHESDA, MARYLAND (October 25, 2004): Sensatex, Inc., the leading developer and provider of smart textile materials and applications announced today that its new management team has concluded the first phase of a review of all company operations in an effort to move towards the commercialization of the company's "Smart Shirt" technology.

As part of that review, management and the Company wishes to recognize Dr. Sundaresan Jayaraman, the former Chief Operating Officer and Head of Science and Technology for his prior contributions as a consultant to the company and later as COO and Head of Science and Technology through May 2003.

In recognizing Dr. Jayaraman's contributions, Sensatex Chief Executive Officer Robert G. Kalik said, "Dr. Jayaraman's efforts as a consultant and as COO and Head of Science and Technology were carried out at the highest levels of integrity. Any statements made or implied in the past to the contrary are regretted."

Sensatex wishes Dr. Jayaraman success in his future endeavors as he and the Company part ways going forward. -30-
